

# Congruent Figures

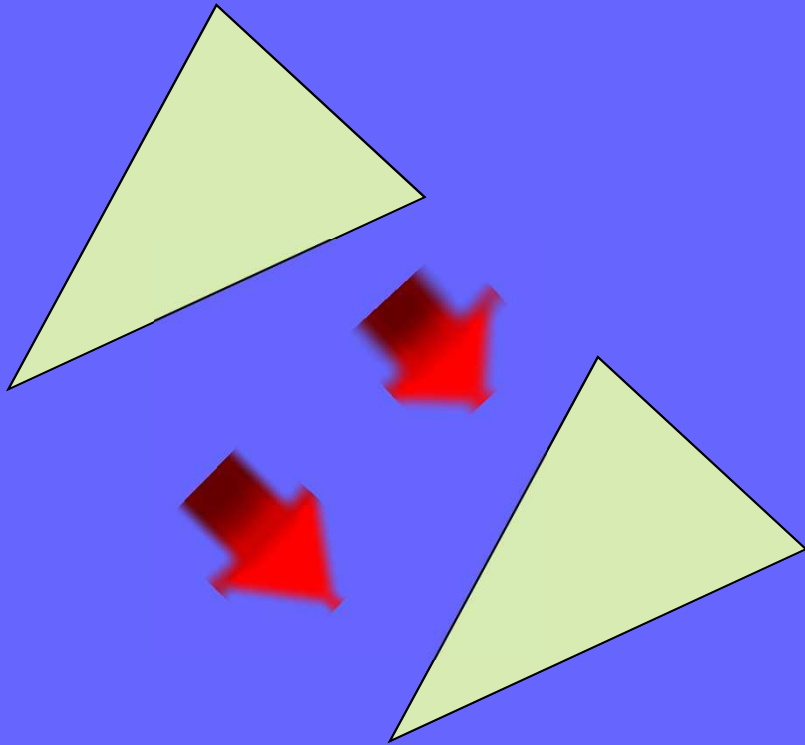

**Presentation by Beth Sytz**

**These four shapes are the  
same size and shape.**

**They are congruent.**

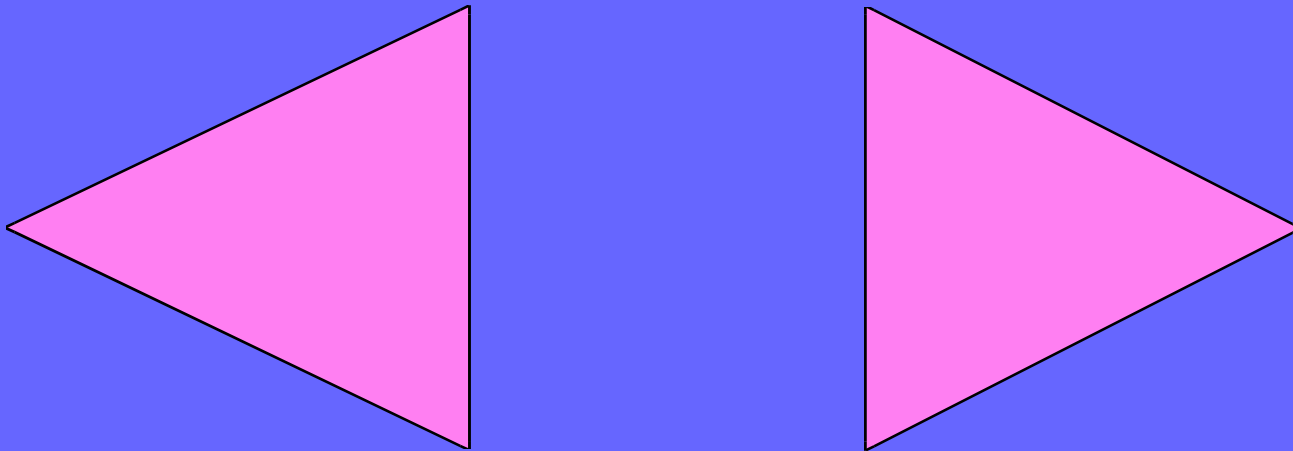

**You can slide, flip, and turn a shape.**

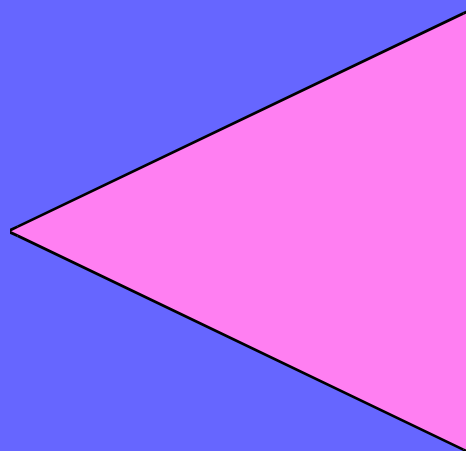

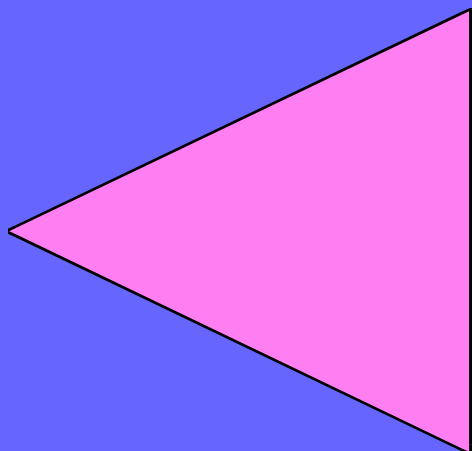

**Slide it**

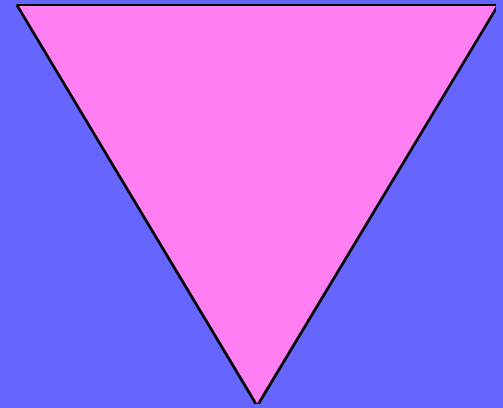

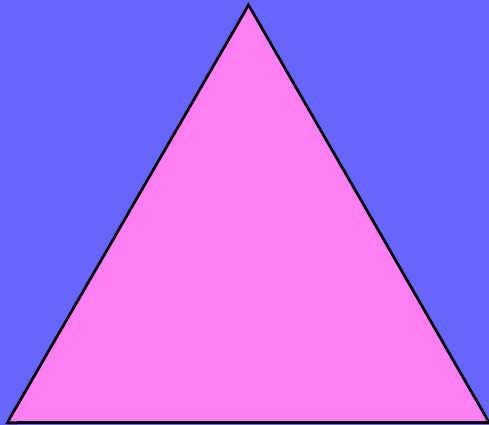

**Flip it**

**Flip it**

**Turn it**

**Remember that  
congruent means  
same shape and size.**

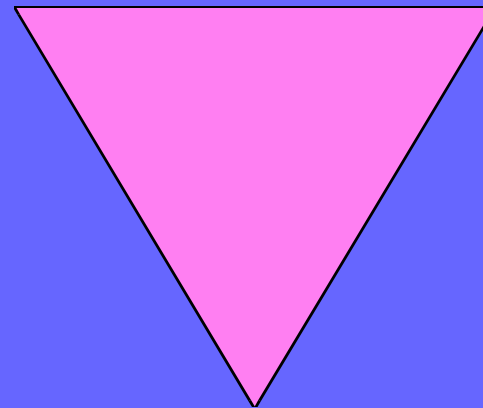

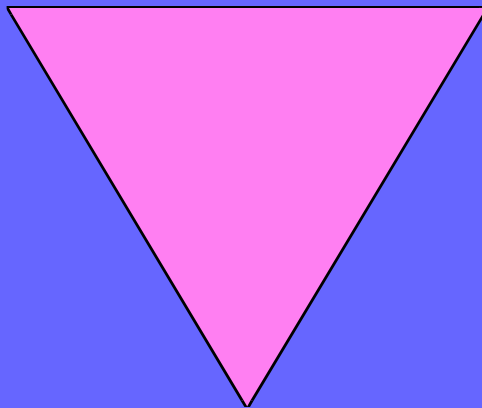

**You can *slide*, *flip*, and *turn*  
a shape!**

**Is this a**

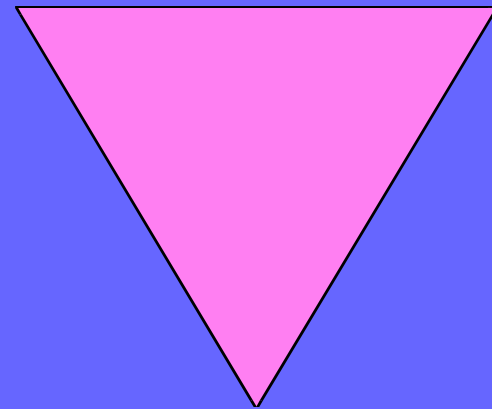

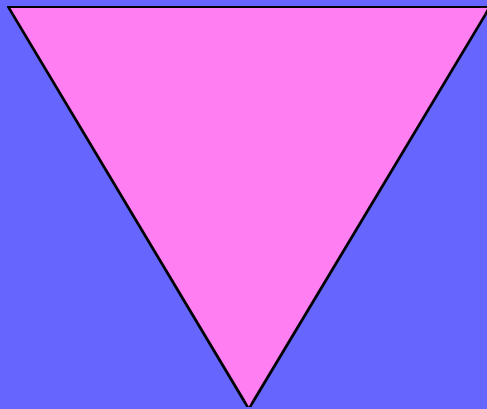

**slide**

**or a**

**flip ?**

# Correct

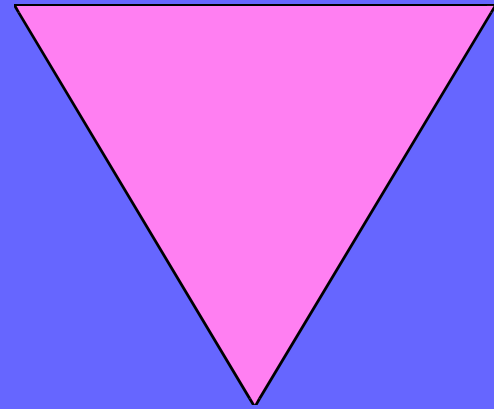

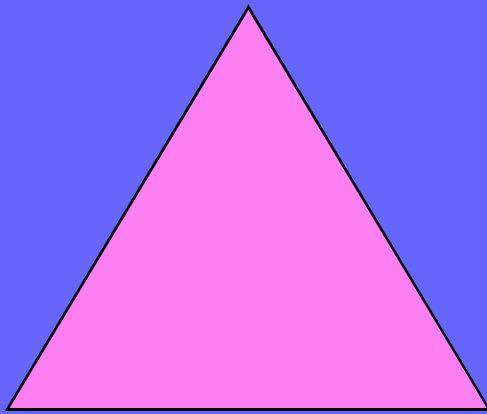

**You can slide it !**

**Is this a**

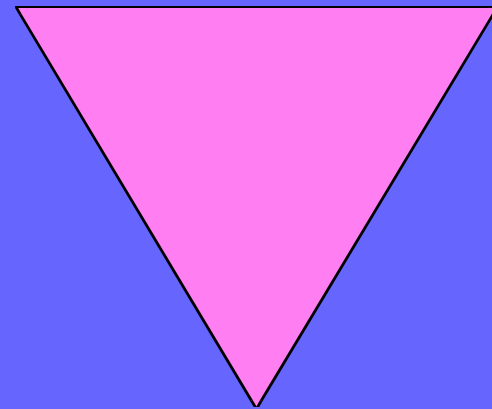

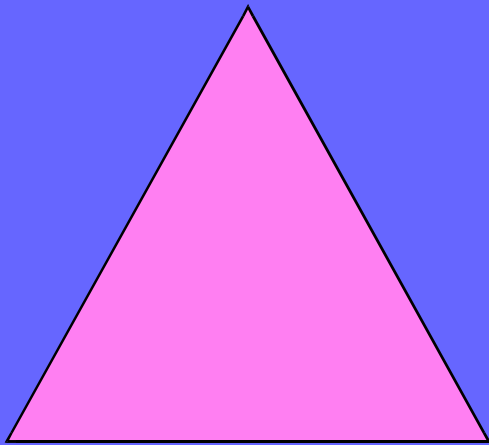

**turn**

**or**

**flip ?**

# Correct

**You can turn it.**
