Dear Parents,

A warm welcome from the Middle School Parent Network! We are a forum and facilitator for communication among parents, students and faculty in the middle school at RPCS. Additionally, we serve as a liaison to the RPCS Parents Association and the Parent Network of Independent Schools.

A parent network rep has been assigned to each middle school advisory. The reps are identified on the advisory group lists included in this mailing. Your advisory rep will pass on minutes of our monthly meetings as well as other pertinent information and keep you well informed of all that is going on. The primary method of communication will be email. Therefore, if you do not have an email address listed in the Red Book, please email me your preferred email address and I will pass it on to your advisory rep. Also, the monthly rep meetings are open to all parents, so please feel welcome to attend and get the information first hand. A list of the Parent Network meeting dates and locations is included in this mailing.

Thank you so much to everyone who has filled out a volunteer form for the coming year. If you haven't already done so, you can complete the form online. It can be found in SchoolBASE on the RPCS web site. There will also be many opportunities to get involved throughout the year. I hope you will involve yourself in the middle school community and keep abreast of the information that is emailed to you.

Middle School Back to School Night is Wednesday, September 16 from 7-9:30 in the Sinex Theater. You'll want to attend so you can meet your daughter's advisor, your parent network rep and welcome new parents to the Middle School. I'll look forward to seeing you in September!

Sincerely,
