

The Hi-Tech World of Today's Teen: *Facebook, Sexting, and the Internet*

Parent Workshop on Keeping Your Kids Safe

Tweeting? Sexting? IMing? As a parent of an "@ Generation" child, how do you understand and communicate with children/teens about their online behavior? It seems they speak another language, and think they know everything about the online world. What do you have to offer?

Attend this workshop and discover your critical role in keeping kids safe online.

Severn School invites the public to a parent workshop on

Tuesday, March 23 at 7:00p

Severn School's Price Auditorium. No charge.
