

The RPCS Spring Middle School Meal Plan

An RPCS parent said of the meal plan this fall: "I love the fact that my daughter has such a wide variety of food to choose from and I know exactly what her lunch will cost each day. She now uses her spending money on the extras such as snacks and desserts and has a better understanding of how those items impact her financially. It works wonderfully for us." It is important to all of us at Garrison Dining Services that we meet the needs of the RPCS students and their families. We feature healthy choices throughout the program. With the plan you can ensure your student will have a complete, nutritious lunch ready for her each day when she is at school.

The Meal Plan features these selections each day:

The Hot Entrée of the Day or a delicious Deli Sandwich

Chef Adrian's Fresh Homemade Soups and a variety of delicious Hot Sides

A salad from the Salad Bar with a great selection of fresh greens, fruit salad, vegetables and toppings

A choice of fresh seasonal fruit such as orchard fresh apples, oranges, bananas and more

A choice of 100% fruit juices, bottled water, skim, 2% and 1% chocolate milk

Here's how it works.
